Napa Valley is world-famous for its wine, and there's no better time to visit than during the summer. Summertime in Napa Valley means warm weather, sunny skies, vineyards in bloom, and plenty of fun wine-related events!

In this article, we will highlight nine of the best wineries to visit in Napa during the summer. Whether you're a wine lover or just looking for a fun day trip, these wineries have summer events that are sure to please!

Pro Tip: If you're planning a trip to Napa in the summer, make reservations for accommodation and transportation at least 3–4 months ahead of time. Summer is peak season in Napa, and hotels may cost a great deal more if you don't reserve early.

1. Alpha Omega Winery

Alpha Omega Winery is a must-visit for any wine lover. This family-owned winery produces some of the finest wines in Napa Valley, and their summer events are not to be missed. They are located right off Route 29 (main road in Napa) and the outdoor terrace has a wonderful view of their fountain and vineyards.

During the summer, Alpha Omega Winery hosts a variety of events including barbecue wine pairings, Italian wine pairing dinners, and a national Hispanic heritage celebration. All of their events are seated, but they always have live music. Be prepared to dance the night away!

They have one of my favorite summer events on June 18, their Luau on the Lawn. Hawaii in Napa! You'll be served their award-winning, delicious wines and dine on Polynesian-inspired cuisine as a Polynesian dance troupe performs in front of you.
