WORLD RENOWNED WINEMAKERS HANDCRAFTING WORLD CLASS WINES

THE ALPHA OMEGA ESTATE

Alpha Omega, a family-owned boutique winery, is in the legendary Rutherford Bench in the heart of the celebrated Napa Valley. Established in 2006, Alpha Omega was founded by proprietors Robin and Michelle Baggett to present world-class wines handcrafted by world-renowned winemakers in a convivial setting reflective of the Napa Valley farming community.

The beauty of the modern, farm-style winery is as captivating as its wines. We farm prized grapes from our own vineyards and historic vineyards throughout Napa Valley, utilizing fruit from nearly every appellation throughout Napa Valley. Our talented winemaker, Jean Hoefliger, and eminent consulting winemaker, Michel Rolland, meld the Old World's traditions with the New World's state-of-the-art techniques to create Bordeaux-style wines that uniquely express the essence of the terroir of this famous wine region. Now recognized as one of the great wine estates in the world, Alpha Omega delivers an unparalleled experience from beginning to end — just as its name signifies.

The luxury winery's picturesque setting is highlighted by views of its landmark fountains, vineyards and the statuesque Mayacamas Mountains in the distance. Exceptional hospitality from a knowledgeable staff completes the trifecta of a beautiful setting, hospitality and wine.
