THE VINEYARD

A shining star in the Carneros AVA, Hudson Vineyards is located halfway between Sonoma and Napa on Highway 121. Named after celebrated grape grower Lee Hudson, who purchased the 2,000 acre-property in 1981, Hudson Vineyards overlaps the historic Talcoa Vineyards, one of Napa's most famous vineyards in the late 1880's. Punctuated by rolling hills and shallow, rocky soils, the vineyard is cooled by daily winds from San Pablo Bay that produces extraordinary grapes sold to a handful of top wineries.

THE VINTAGE

Significant winter rains provided healthy soil moisture and excellent canopy growth in spring. Steady weather during bud break and bloom led to a warmer than usual summer, but soil moisture and healthy vines helped cope with the warmer temperatures. The summer heat was a key factor in accelerating grapes to perfect ripeness and provided a steady harvest schedule. A classic Napa Valley vintage, 2024 white wines have a captivating ripe fruit character, with exceptional balance and length.

ABOUT ALPHA OMEGA

Founded by Robin and Michelle Baggett in 2006, Alpha Omega is a family owned, certified Napa Green winery located in the legendary Rutherford appellation in the Napa Valley and farms its estate vineyards along with small blocks of Napa Valley's most renowned vineyards. Alpha Omega's winemaking philosophy is to create world class wines utilizing the optimal confluence of old world traditional hand tending of vines and handcrafted French oak barrel fermentation paired with new world state-of-the-art technology in the vineyard and in the cellar.
